To Whom It May Concern,

It is my sincere pleasure to share our parish's experience working with Lynch Development Associates during the planning and execution of our recent capital campaign.

Our Lady of Lourdes embarked on a historic campaign with a goal of raising two million dollars to support critical improvements to our campus and ensure the long-term vitality of our parish community. From the very first meeting, the Lynch Development Associates team demonstrated not only technical expertise in campaign strategy, but also a deep respect for the spiritual, pastoral, and relational nature of parish life. They understood that this effort was about far more than fundraising — it was about stewardship, trust, and mission.

Their process was thorough and thoughtfully paced. The feasibility study was conducted with professionalism and sensitivity, giving parishioners confidence that their voices were heard. They provided clear data, realistic projections, and honest guidance, allowing our leadership to make informed decisions every step of the way. Throughout the campaign, Lynch served as both strategic advisors and supportive partners. They trained our volunteers, guided our messaging, and helped us cultivate leadership gifts while maintaining a pastoral approach consistent with our values. Most importantly, they were always accessible — answering questions, calming concerns, and keeping us focused when the process felt overwhelming.

Because of their leadership and expertise, our parish not only met but exceeded our two-million-dollar goal. This achievement strengthened our parish spiritually and financially, and it brought our community together in a truly remarkable way. The campaign has left a lasting impact that will benefit generations of parishioners to come.

I wholeheartedly recommend Lynch Development Associates to any parish or faith-based organization considering a capital campaign. Their professionalism, integrity, and understanding of church ministry make them exceptional partners in this sacred work.

Please feel free to contact me if additional information would be helpful.
